- Lady Forbes. From a painting by Romney.
 On the fourth morning Vera's patience came to an end.
 "Why not secure to yourself the right to watch over her by asking her to marry
 you?"
 For a long time Vera sat, not only cast down with grief, but utterly bewildered by
 the extraordinary revelation contained in her father's last words.
 "Dear Miss Carlyon, what is the matter?" said Vera, leaning over her.
 In the Twilight.
